### Beskrivning

Författare: David Whitling.

Grammar to Go är en serie som på ett systematiskt och lekfullt sätt bjuder in till den grundläggande engelska grammatiken. Till varje elevbok medföljer en digital del med inspelat ljud och interaktiva övningar. Till serien finns även ett lärarmaterial som ger undervisningsstöd med bland annat exempelfraser, tips, förberedda genomgångar för tavla och projektor samt diagnoser och test.

Grammar to Go är skriven på naturlig vardagsengelska. Eleven får arbeta med uppgifter som återspeglar liv och företeelser i den engelskspråkiga världen.

I elevboken presenteras grammatiska regler utifrån en illustration med en text eller en dialog. På samma uppslag som texten finns både övningar och en Quick Guide som ger grammatikmomentet i koncentrat. Övningarna är självinstruerande med enkla och tydliga instruktioner på engelska och eleven skriver direkt i boken. Till grammatikmomenten finns också par- och gruppövningar där eleverna får träna muntligt det de övat skriftligt i kapitlet.

I den digitala delen kan eleven dessutom:

- se varje sida precis som i den tryckta boken
- få texterna och Quick Guides upplästa med autentiska röster från olika delar av den engelsktalande världen.

- arbeta med självriktande digitala övningar med tydliga mål
- testa sig själv
- ladda ner ordlistor och facit

Den digitala delen fungerar på såväl dator, surfplatta som mobiltelefon. Koden är giltig i ett år. Grammar to Go 2 är främst avsedd för mellanstadiets senare del.

## **Annan Information**

30 Dec 2010 . Grammar: Definite Plurals (adjective+noun) . the information in the 'yyyy' is actually what makes the 'noun' specific, but since that part of the information resides elsewhere in the sentence one uses the 'indefinite noun' to tell the reader/listener to go to the other part of the sentence for that information ?
