Beskrivning

Författare: Ingemar E L Göransson.

"Sökte likt conquistadoren Juan Ponce de León Ungdomens Källa
Men fann endast dess myt
Kunde ej se i spegeln den jag var
Utan önskade att tiden stannat
Likt Juan Ponce de León sökte min ungdoms förlorade tid"

Det finns vissa projekt, vissa saker man som författare vill göra. Tankar som växer till något nödvändigt att få se förverkligade. Denna bok är ett sådant. Det är mitt absolut nödvändiga projekt likt min första roman "I SKUGGAN VILAR MÖRKRET".

Om romanen var min uppgörelse med min uppväxts tid och dess plågsamma minnen så har "IMAGES" har en liknande funktion, ett liknande syfte. Den är ett bokslut med en period i mitt liv då livsfrågorna på nytt ställdes på sin spets. Då de existentiella frågorna hamnade i mitt heliocentriska centrum.

Dikterna har ofta skrivits ner förhållande snabbt som fotografiska "snapshots" medan fotografierna är "snapshots". Det vill säga ögonblicksbilder med sina begränsningar, men också sin ärlighet-så var upplevelsen i det givna ögonblicket. Det finns inget förvanskat, förfalskat eller anpassat i det givna ögonblicket utan det är den stundens, det ögonblickets sanning. Och, det kan ingen ändra på. På gott och ont.

Jag hoppas att du som läser och beskådar dessa sidor skall förmedlas något av den stundens verklighet. Visst, den är min och ingen annans, men om du känner i ditt hjärta den minsta aning av den stundens känsla har jag lyckats.

Bli inte besviken om du inte förstår, eller tror dig inte förstå, för det är bara naturligt då det är i mitt innersta du bjudes in att beskåda; författaren i all sin sårbarhet eller kanske till och med styrka.

Bli inte rädd, det är mänskligt!

Linghem mars 2016
Ingemar E L Göransson

Annan Information

Since its first publication over twenty years ago, Images of Organization has become a classic in the canon of management literature. The book is based on a very simple premise that all theories of organization and management are based on implicit images or metaphors that stretch our imagination in a way that can create.
